Two special services are being planned for the morning and evening worship services. At 11 A. M. the Chapel Choir will sing, "Whispering Hope," and the minister will bring the third in the Series of Sermons on the Messages of Some Ancient Prophets. At the 8:30 P. M. service, the Mens' Chorus will give special music, and the minister will give the message based on the Third Commandment. Opportunities will be given during these services to make an offering to World-Wide Missions.

Following the recent meeting of the Commission on Education, plans were made for checking carefully the attendance at Sunday School during July and August and September, and arrangements were made to announce the classes having the highest percentages of attendance at the Preaching Services.
